FEED YOUR SOUL

The food pantry continues to be an essential service to our community. The August distribution served a total of 26 households and 125 people in our community!

The Iron Fish Distillery partnered with our Feed Your Soul Pantry on July 25th as a part of their "Christmas in July" celebration, in an effort to help fight food insecurity in our area. It was a great success!

REMINDER:

We have an outside pantry for those in need after hours. It is located on the side of the building and is available 24/7

Food Pantry distribution happens on the 4th Friday of each month from 11:00 AM - 12:00 PM

Do you know how Halloween began? It started about 2,000 years ago in the Celtic region. The event was to mark the end of the harvest season and bring on a new year. Folks believed they could speak with the dead more easily during that time of the year. Halloween is also known as "All Hallows' Eve".

Let's show our passers-by how creative and fun our Village is. Decorate your yard and be festive!! Be safe!!
